

{BLACK}

The Worst Dev. Team Ever Presents...

Nerd Simulator 2014

Of all the people who go to my school... none of them are as interesting as the people in Dating Sim XX Forever. I feel like I have a life in this game. WHAT! No! I said something wrong again! I almost had her! The most difficult girl in the whole game too!

{DATING SIM}

Who writes these awful lines? These graphics are just as bad too! I can't believe this whole game is coded in Java. But I have to say this is the most fun I have had all day.

BUZZZ BUZZZ BUZZZ

BUZZZ BUZZZ BUZZZ

who is calling me at this ungodly hour!?! Ohh it is just Mike...

LEVEL 1

[Do I really want to pick up the phone? I have been having rough days all week, I don't want to get involved with anyone or anything right now. Whenever I every have to make a tough decision, I space out and go into these moments of surreal thought where all I see are my emotions portrayed as bright colors streaking across my mind. I try to think through my problems, but I become subjugated to this maze of thought in my mind. Whenever I feel an emotion, I see its color blare across my mind and I become in tune with all my problems that can be solved with that emotion. I guess I will pick up because if I don't I might have Mike harassing me about it at school...]

You pick up the phone

"Hey Mike whats up?"

"Sup bro, I hear you got into another fight yesterday, want to talk about it?"

{BLACK}

LEVEL 2

[Why would Mike want to talk to me about why I get into my fights... Why am I even talking to this guy. People are so invasive, no wonder I hate them so much. But calling me does show that he cares. Could it be that Mike is concerned for me? Why would anyone be concerned for me?. It's the weirdest thing, I feel hate and at the same time I feel a calm collected rational feeling deep within my gut... I guess he just cares about me... I can keep talking to him]

"No thanks Mike, I'm good"

"Charles, you want to come over tonight or are you still working on your physics calculations for your neutron propulsion system?"

"Ummmmm... have you heard of Dating Sim XX Forever?"

"don't tell me..."

"Ya well it's super awesome and you should check it out"

"CHARLES GET A LIFE"

Call Completed

{BLACK}

LEVEL 3

[Why is Mike so mean to me sometimes... It's not like this is bad for me or something. I get 700% more positive emotions in my brain with a good five hours of Dating Sim XX Forever every weekend... but I also have not talked to anybody in quite a long time... I feel lonely when everyone around me hates me... thats why I play this stuff... I just want to be social but am too afraid to be!!!!]

{BEDROOM}

Man what a night... I guess I need to get out there more... which reminds me, what should I ware today to school. I want to make a positive impact on the people around me which mean I have to fit in, yet exceed their expectations. I think I'll ware my favorite black chinos with a polo.

...

...

{BLACK}

WHERE'S MY BLACK CHINOS!?!?!?!?
MY BABIES!!!!!!

LEVEL 4

[Don't tell me I have to ware my Navy chinos!?!?!? Navy is pretty close to black... oh well, maybe navy fits me better then black, anyway there is no way I am starting a day like today without any chinos! I guess I can't be perfect every day, especially on the day I plan to actually talk to people...]

{SCHOOL HALLWAY}

Man that math test was brutal... why is there a copy of Fashion Now on the ground. Wait, this is the 2014 women's fashion guide!!!! Theres no way I'm giving this up! Wow look at that beautiful coat... I swear the style options girls have are just infinite, why-

{ENTER JERRY}

"Hey man you want to give me back my magazine?"

wait... Jerry Peterson reads Fashion Now!?!?!?

"I want my magazine back, I dropped it, this is not a joke punk"

I can't give up the 2014 women's fashion guide!!

1- "JERRY PETERSON READS FASHION NOW EVERYONE!!!"

2- "Sorry Jerry, I plan to use this copy as toilet paper, go find your own"

3- "I don't believe this is your magazine, you're too cool to read Fashion Now. I'm going to keep it"

(annoyed)

"well aren't you a little jerk face! I guess it's time for you to face the truth... admit it Charles, you where contently reading it. You like women's fashion!"

"Stop the lies!"

"poor little dweeb, I'll leave you to wallow in your own pathetic ideas"

{EXIT JERRY}

{BLACK}

LEVEL 5

[do I really like women's fashion!?!? Thats impossible, I beat people up, I'm a manly man! I do manly things! I WANT TO PUNCH JERRY RIG- Damn that's a fine outfit that girl is wearing... wait... I just commented on an outfit... worn by a girl... that would be considered... OMG I DO LIKE WOMEN'S FASHION... and... and... girls too... I just hurt everyone that pointed out my secret]

{BLACK}

"hey, are you just going to stand there! You only have one more minute before your suppose to be at class!"

{SCHOOL HALLWAY ENTER LISSA}

Holly cow its a GIRL!?!?! Don't panic... I'm not dressed perfectly but I can do thi-

(annoyed)

"are you going to say something, or are you just going to stand there?"

1- "I'm going to class, no need to yell"

2- "What about you, aren't you just as late as I am?"

3- "I'm just going to stand here"

(annoyed)

"Do you even know who I am? I'm the student council president! Now get to... Wait, is that my copy of Fashion Now women's style addition! How did you get it? I have been looking for my lost copy forever"

1- "Some kid named Jerry Peterson wanted it from me after I found it on the floor"

2- "Noooooooooooo! I thought I had scored a free copy of the women's style addition!"

3- "You read Fashion Now! I thought this magazine was only read by guys..."

If 1 then

"Jerry Peterson! He's just Jerry, can't blame him for being himself... even though he can disturb the peace from time to time. Good thing you stood up to him, otherwise I would still be chasing him down for my magazine!"

If 2,3 then

(shocked)

"Wait, I have a feeling that's not sarcasm... which means... YOU READ FASHION NOW!!! How do you live with yourself! Well now I know why you stood up to Jerry for the magazine... I'll just take the magazine and keep that other information a secret"

1- "Here is your magazine then... I'll be going to class..."

2- "You may want to check out page 29... It's got some good stuff... I'll be going"

3- "In case you ever want to read more, I have all the issues since 2009.. so if you... never mind"

"I guess I can write you pass with my signature, and that should get you into class scott free... My name is Lissa Langenberg... It was nice meeting you..."

"Charles"

"Charles"

{BLACK}

Well I think that's the most I've talked to a girl in a whole week. Lets just see how well this pass holds up against the might of Mr. Yamato...

{CLASS ROOM}

"Hey Mr. Yamato, I have this pass here you see-"

{ENTER MR. YAMATO}

(angry)

"YOUR LATE!!! What do you think your tartiness says about the reputation and the culture of Dansforth High School young man?!"

- 1- "I'm going to go with bad"
- 2- "Mr. Yamato! I am sorry! Mercy!"
- 3- "I'm just going to go to detention now and save your time"

(angry)

"GIVE ME THAT PASS YOUNG MAN!!! If I find it suitable you may be excused from this incident, but I expect that it will never happen again!"

"Yes Mr. Yamato! Here is the pass"

You give Mr. Yamato the pass

"Hmm... yes it looks legitimate... that is definitely Ms. Langenberg's signature... how was the president Charles? I'm surprised you were even able to get this pass from her... you know I haven't seen you speak to a girl in at least two weeks"

"What are you suggesting?!?!?"

(smiling)

"Well Charles, I think everyone knows this but... you are afraid of girls are you not?"

{BLACK}

"I am not!"

LEVEL 6

[This can't be true! Me and girls... why would I be afraid?!?! I have had it with these emotions?!?! I can only feel so many! I can't keep generating so much emotion! No I Like Girls, why else would I play so much dating simulator all the time and read women's fashion?!?! But those are all ways to appreciate girls from a distance... NO! I can't except this! If I was afraid of girls then I would not want to talk... to... them... Ok I think he has a point]

{BLACK}

Ok, I survived advanced history... now on to lunch.

{LUNCH ROOM}

Lets see... where to sit...

{ENTER MIKE}

(happy)

“Whats up man! I heard you encountered our legendary president today. You seem to still be in one piece. Maybe you should come sit with us today at lunch instead of in Mr. Yamato’s class”

I can’t mess this up. I promised myself I would be more social this morning!

“Ok Mike! Where do you sit?”

(happy)

“Over here!”

{EXIT MIKE ENTER JERRY}

“Was up fashion head!”

Well darn...

{EXIT JERRY ENTER LISSA}

Gaakkkk!

“At least his fashion sense is good... compared to someone else”

{EXIT LISSA ENTER JERRY}

(Annoyed)

“Hey! Watch your mouth Pres!”

{EXIT JERRY ENTER MIKE}

“Well how do you think she runs this school so efficiently?”

{EXIT MIKE ENTER JERRY}

“Point taken... So! Charles is your name right? Sit down man! Make yourself at home!”

you sit down

{EXIT JERRY ENTER LISSA}

“I also heard that you where the one who outscored me on the Extended Lab Project... apparently the teachers thought your design for an orbital space ring was cooler then my facial identification software”

{EXIT LISSA ENTER MIKE}

(scared)

"He's new! Spare him at least through lunch!"

{EXIT MIKE ENTER LISSA}

(stern)

"Well, I want to hear why your project was so awesome"

1- "You didn't go to the lecture I gave about it at the annual Dansforth Science Symposium?"

2- "You know... I didn't think the President of Student Council would be so easily defeated..."

3- "Easy, my project was awesome. Your project had some defects with the object database and its HTML 5 scripting"

If 1,3, then

"Well I guess you got me... I'd like to look at the original 3d render in engine of your orbital ring some time though... and with the physics plugin on of coarse"

If 2 then

"It was not easy for you! ... I guess I deserved that comment"

{EXIT LISSA ENTER MIKE}

(scared)

"So Pres... He passed... right?"

...

{EXIT MIKE ENTER LISSA}

(stern)

"Be real Mike. There is no pass or fail. I enjoy everyones company, and I will not let them rote in our high school just because of a whim"

{EXIT LISSA ENTER JERRY}

"Which reminds me, I need to borrow you Pres for a second so I can use your face to get into the student council office"

{EXIT JERRY ENTER LISSA}

(annoyed)

"Why would I let you into the student council office?"

{EXIT LISSA ENTER JERRY}

“Because its your duty as pres, now come on”

Why does Jerry always have to be so pushy?

{EXIT JERRY ENTER LISSA}

(annoyed)

“But I told you, I don’t want you looking through the Dansforth Court applications”

Wait, court applications... she can’t let him...

{EXIT LISSA ENTER JERRY}

(annoyed)

“Yes but your coming with me anyway!”

Jerry grabs Lissa by the wrist and starts to lead her away

LEVEL 7

[Whats he doing! Should I help her!?!?! No one else seems to dare! Ahhh man but that means I have to help a GIRL!?!?! But she is kinda cute... wait... DO I LIKE A GIRL!?!?! THIS CAN’T HAPPEN... I just have to expend my emotions to come up with conclusions! I have to fight like a lion on the savanna for the valuable girls!?!?! Life is a battle field, so I will bring my best game!]

You grab her arm before Jerry can lead her away

{ENTER LISSA}

(shocked)

{EXIT LISSA ENTER JERRY}

1- “I don’t think I’m going to let you lead her away just yet”

2- “She said she didn’t want to”

3- “I’m in shock... I didn’t think I would do that”

(annoyed)

“Hey bro! Don’t mess with me when I wa-”

{EXIT JERRY ENTER LISSA}

(stern)

“Jerry, Charles is right, I can’t let you look at those applications. I will have no part in your antics”

END
